

# MESSAGE FROM THE HEAD OF SCHOOL

We are excited to begin another inspiring year of learning, discovery, and growth. Our classrooms will once again come alive with engaging, hands-on experiences that spark curiosity and creativity. Through our integrated curriculum, rooted in the Alberta Program of Studies, enriched by the IB Primary Years Programme (PYP), and driven by a STEAM-focused approach, we are committed to nurturing and equipping learners with the skills and competencies essential for the 21<sup>st</sup> century.

As we set our sights on expanding to Grade 12, we recognize the challenges we've faced, yet, with our unmatched resilience and unwavering resolve, we can rise above any hurdles and find innovative, forward-thinking, and creative ways to ensure our students thrive today and for generations to come.

I am deeply grateful to our incredible school community, parents, students, staff, the school board, and our valued community partners in Livingston. I am counting on each of you as we walk this path forward, illuminated by our shared purpose and collective hope.

Here's to another school year of joyful exploration, meaningful connections, and limitless possibilities!

Sincerely,

**Angelina McMullin**

Calgary International Academy
